Excellent, and thank you!

Because of not understanding the process and getting clarification on it yesterday from our attorney, Mr. Jack Pringle, we believe it would be too difficult to have the list of individuals to you by today. Therefore, we like to send out an eblast to the community regarding the public hearing. As I understand from your email, they will have two options to provide testimony once you exclude the Town Hall options.

Again, thank you so much.

Subject: RE: [External] Upcoming Public Hearings in 2021-324-WS (Kiawah Island Utility, Inc.)

Ms. Tillerson:

Thank you for your inquiry.

First, the Commission plans to hear from members of the public during the hearing starting at 9 AM. If a member of the public cannot testify beginning at 9 AM and wants to testify at a different time, they need to let the Commission know their circumstances, and the Commission Staff will try to make suitable arrangements for the testimony. Second, there are actually three options for public testimony. If a member of the public wants to testify by telephone, they need to furnish their telephone number, which is part of the information required for registration. A member of the Commission Staff will contact them prior to their testimony opportunity. Also, there are two virtual options. One is the Virtual area to be set up by the Town of Kiawah, which members of the public can use. If a member of the public wishes to testify virtually from some other computer, in addition to other registration information, they will need to furnish their e-mail address, so that they can be furnished with appropriate Webex information, which will allow them to testify individually.

I trust that this information is helpful.

Thank you for your consideration in this matter.

Regards,

David Butler

Subject: [External] Upcoming Public Hearings in 2021-324-WS (Kiawah Island Utility, Inc.)

Good day, Mr. Butler,

The Town of Kiawah Island would like to send out an eblast to the residents of Kiawah Island regarding the upcoming Public Hearing. If you could read the below message to make sure we have the correct language, we would appreciate it. The question is, is there only one time the public can testify? Can they testify at either 9:00 a.m. or 4:00 p.m.? Are they calling in their testimony, or do they have a virtual option?

Kiawah Island Utility Rate Increase: How to Testify

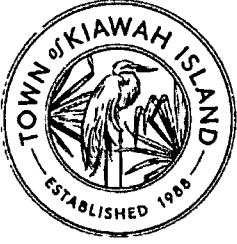

The Kiawah Island Utility Rate Case public hearing, to be held on Monday, March 21, 2022, at 9:00 a.m., will require all public witnesses to register in advance.

To call in your testimony, you must provide all the following to the Commission:

- 1.) Your Name
- 2.) The Telephone Number you wish the Commission to call during the hearing to receive your testimony
- 3.) Your Physical Address
- 4.) If you would like to speak in-person or virtually
- 5.) This information must be sent via email to communications@psc.sc.gov

Again, to be heard at the public hearing, all witnesses **must** preregister and sign-up to speak.

Best Regards,
